TUESDAY EVENING, FEBRUARY 26.

EUROPE.

LATEST BY ATLANTIC CABLE.

The cable dispatches of yesterday state that the Spanish Government will immediately form a Board of Public Works for Cuba. The ship *Arcadian*, from Liverpool for Savannah, was wrecked on Tuskar Rock, off the coast of Ireland, on Sunday last.

The Derby project of Reform was introduced into the English House of Commons last evening by Mr. Disraeli, who opened the debate and on the part of the Government proposed four new classes of franchises and a change in some of the borough seats. Mr. John Bright replied and made what is represented to have been a strong speech in opposition to the proposed plan of Reform.

A dispatch from China, received in London yesterday, reports that the Tycoon of Japan has been shot.

GENERAL ASSEMBLY.—Two "local railroad" bills were passed by the Senate on Saturday, one a House bill amending the charter of the Roanoke Valley road, and the other a Senate bill incorporating the Shenandoah Valley road. A Senate bill was also passed to incorporate the Union Soldiers' and Sailors' Association for benevolent purposes. The greater part of the session of Saturday, was, however, devoted to discussion.

In the House, the Committee for Courts of Justice reported it inexpedient to legislate in regard to the petition of the people of Greenbrier county praying this State to assert its jurisdiction over that county. The same committee made a similar report in regard to Monroe county. Other committees made several adverse reports on various subjects. The House passed the Senate bill to continue the payment of interest of State stock, &c., to the schools and colleges. Several other bills were also passed, and the consideration of the Cumberland Gap Railroad bill (the "Southside consolidation scheme") was postponed until to-day.

In the House of Delegates, the Senate bill to amend the charter of Alexandria was passed. The House bill disposing of the State's interest in the Alexandria, Loudoun & Hampshire R. R., was laid on the table.

SUMMER GARDEN.
Having leased the establishment heretofore known as the Summer Garden, No. 182, King street, 3d door west of Washington street, I would beg leave to introduce myself to the citizens of Alexandria, and also to the travelling community, as a caterer for the strictest epicures.

The Garden being a pleasant resort, within reach of all, I am determined, as far as my part, to keep every thing in the strictest order, so that their shall be nothing to mar the pleasure of my guests.

The larder will always be filled with the best of the market affords—furnished at a fair living price.

My arrangements are such that I will be prepared to furnish Fresh Oyster, by the gallon or otherwise, to suit city or country orders.

Oysters served up in every style at the house, together with meals to order at all hours.

N. B.—All I ask is a fair trial, feeling perfectly confident I will give satisfaction to all who may favor me with a call. WM. H. SMITH.

**PUBLIC SALE OF
VALUABLE REAL ESTATE.**

Under authority of a decree of the Circuit Court of Fairfax county, Va., rendered at the June term, 1866, in the case of HICKS, guardian, vs. HICKS and others, I shall, on MONDAY, the 18th day of MARCH, 1867, at 12 m., (that being Court day,) at the front door of the Court House of said county of Fairfax, offer, at public auction, that portion of the valuable tract of land called "The Blue Point," containing, by recent survey, 960 ACRES. This land lies partly in the county of Fairfax and partly in the county of Prince William. The portions situated in the respective counties will be sold separately. The property is situated on the line of the Manassas Gap Railroad, passes by, or through the tract, and is near a contemplated depot. The land is considered the very best and most productive in that region of country, and is of the red clay soil, here held in such high estimation, and is well adapted to the production of all kinds of grain and grasses. There is an abundance of wood on the land, and it is proverbially healthy. The buildings are comfortable.

TERMS OF SALE.—Ten per cent of the purchase money to be paid in cash, on the day of sale, as a deposit, to be forfeited, should the purchaser fail to complete his purchase; the residue of the purchase money to be paid in three equal instalments of six, twelve and eighteen months from the day of sale, to be secured by the bonds of the purchaser, and the title to be retained until the purchase money is fully paid. The land to be resold, at the risk of the purchaser, upon his default, at any time, to pay the cash deposit or the deferred instalments. Conveyancing and stamps at cost of purchaser.
FRANCIS L. SMITH,
MATTHEW HARRISON,
Commissioners of Sale.

NOTE.—The land will be divided into two or more tracts, and plats will be exhibited at sale. feb 16—eots

It is in several lots, each of which will be sold separately, if deemed best by the commissioners of sale. This property is admirably located for a dairy or market farm.

TERMS OF SALE.—One-tenth of the purchase money will be required in hand, as a deposit, the remainder in 12 and 18 months, with interest from the day of sale, the title to be retained, and the land liable to be resold, for default in either of the deferred instalments.
